- No
- More CCTV
- various places to hang out for different groups of people
- no wivey is a friendly place
- More places for people to go and more things in the community centre
- Educate people better, especially about respecting identities
- no
- Tell more people about it, so that we can all learn about how bad it is, educate about it more in schools.
- See more police
- yes
- pcso's
- More policing
- no
- no cause it will only get worse
- Some of the older teenagers can cause problems in the street or in some areas of wivey where we want to go we can not due to the older teenagers being antisocial
- Regular police officers roaming around.
- Get some of the mature children to help stomp it out
- there is none
- no
- police
- no
- More police around
- no
- Talk to people and make them understand others problems
- actually do something about it
- no
- talk about it
- Anti bullying
- probably
- better education
- no
- PARENTS LISTENING TO COVERSTATIONA
-

**Additional comments on the survey:**

- More places for teenagers to hang out after dark so not in the parks so don't disturb others, I live opposite a park and can be really annoying in summer when people are outside being very loud at night
- need a place to go e.g shelters
- skate spaces and skatepark
- Buses should be more frequent and cheaper and being environmentally friendly should be a top priority. Also more parking is needed if there will be more (eco-friendly) houses.
- buses to wellington need to be available
- Really love the idea of wilding
- I think the environment should be a high priority.
- Wivey needs some sort of youth council
- a support group could be set up
- service strength needs to be better all around wivey
- You didn't ask what matters most to me.
